(Cincinnati, OH) -- It's a wall-to-wall Thomas The Train celebration the entire month of February at EnterTRAINment Junction in West Chester.

The world's only train-themed family entertainment center will celebrate “Everything Thomas” throughout February, saluting the kids’ mega-star Thomas (the most famous tank engine in the world) and his friends with Thomas train layouts, walk-around character, storytelling, sing-a-longs, videos, scavenger hunts, and crafts. Plus, all Thomas merchandise in the Main Street gift shop will be discounted to the lowest prices of the year.

The “Everything Thomas” event will be held February 2-March 1. Special pricing is \$12.99 per person and includes all of the Thomas activities plus the world's largest model train display, kids’ interactive play area, the American Railroading Museum, expo center, and the seasonal walk-through maze experience reminiscent of an amusement park fun-house.

EnterTRAINment Junction is open 10 a.m.-6 p.m. Mon.-Sat. and noon-6 p.m. Sundays (closed Wednesdays January through April.)

“It will be Thomas & Friends everywhere you look,” said EnterTRAINment Junction General Manager Bill Balfour. “Thomas the Tank Train and all his friends are among the best-loved and most enduring icons for children today, and the entire Thomas event fits perfectly with our train-themed family entertainment center.”

During the week, the “Everything Thomas” celebration includes Thomas The Train layouts, Thomas videos, a Thomas scavenger hunt (with prizes for the winners), and special Thomas interactive crafts tables for mask-making, playing on a magnetic board of Sodor Island and more.

Additional Thomas activities are scheduled for the weekends. There will be special Thomas story-telling and Thomas sing-a-longs featured at scheduled times throughout the day.

Even special Thomas treats will be available at EnterTRAINment Junction's indoor sidewalk café.
